BLOOD DONATION CAMP

Date: 16/06/2022

A Blood Donation Camp was organized by NSS Unit, Brindavan College of Engineering in association with Rotary Bangalore on June, 16, 2022 at Brindavan college campus. The camp began at 9:30 A.M with a short inaugural function by Chief Guest of the Blood Donation Camp; Dr. Keshav, MOC, Dr. Kamala Eshwar, Program officer, CSD & Counselor, Mrs. Aparna, Camp Coordinator, Dr. Sharavan Kumar K R, coo, Unique Health Care Centre are presented in this Camp. Dr. Rajashekar Patil, Principal, Dean, Brindavan college of Engineering, expressed his gratitude to the NSS unit of the College for its continuous endeavor in this regard. He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. Prof. Mamatha N P NSS Program Officer addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for this Noble cause. 93 units of blood were donated by both students and the staff members of our Brindavan Group of Institutions

Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first time donors at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

VISIT TO KIDWAI HOSPITAL

A visit to Kidwai Memorial Institute of Oncology was arranged for the cadets of Brindavan College of Engineering on 25th December, 2021. A batch of 11 cadets along with an ANO and CTO had visited the hospital. A detailed explanation regarding each department was given during the visit. This was followed by a detailed presentation about the role of hospital pharmacy in hospital, drug distribution systems, blood donation, and inventory management and medication errors.

Cadet's activity participated with the management and celebrated Christmas with cancer fighters. The Hospital management provided gifts which was distributed by BGI NCC team to the children's.

We take privilege on behalf of NCC and Brindavan College of Engineering for this Visit in which we all served in one or other way to our society.

World Environment Day – 5th June 2022

Theme: Only one Earth

Activity 1:

Build Outdoor classrooms and open places on Campus

World Environment Day 5TH JUNE 2022. The event was observed on was held on 31st May 2022 to bring awareness about the importance and conservation of environment. A total of around 80 students were a part of the event including 20 NCC Candidate. A speech on was delivered by Dean, Dr. Rajasekhhar Patil.

Students should be allowed to grow in all aspects. To achieve this students should be able to experience varied environments. This activity was conducted to allow the students to have outdoor classroom experience in the college campus under the shade of trees with the soothing winds.

STEPS

1. Survey grounds and study greenery – conduct the study with Google Map and engage with the campus and college. It helped to spread awareness about WORLD ENVIRONMENT DAY and popularized the concept of sustainability and living in tune with the nature.

2. Students looked through the green grounds and examined the flora and fauna. They studied the area and analysed the areas that needed immediate and constant action.

3. Students exchanged their ideas of bringing the change in the campus by adopting much greener and sustainable options.
4. They expressed their concerns about the declining conditions of the environment and voiced their opinions through well –structured argumentative speeches.
5. Students helped to water the plants in the ground and cleared the premise by picking up the leaves and laid down bricks for the plants.
6. Teachers and students helped plant a few saplings to promote greenery in the campus.
